**Start times** will be available on [www.setrec.org.uk](http://www.setrec.org.uk) and <http://trec4all.wix.com/trec4all> from Wednesday 4th December

Each of the league classes 2,3,5,6,7 (above) will have their own national league.

League points will be awarded depending on finishing position: 10 points for 1<sup>st</sup> down to 1 point for 10<sup>th</sup> place.

The highest four scores will be counted for the league.

In the event of equal positions after 4 events, a 5<sup>th</sup> competition will be taken into consideration. If there is still equality, the number of people placed below the person in the original 4 competitions used for the total points will be taken into account. The person with the largest score will be placed above someone with a lower score (from the original 4 events).

**Equine Flu Requirements:** TREC GB requires that all events, including training & camps, involving equines should insist that vaccinations are up to date (12 month cycle) and check passports before horses are unloaded. Horses that have had their annual vaccination or a booster, within the last six days of the event should not be allowed to compete. For unvaccinated horses to be able to compete a new programme takes a minimum of 28 days.

1. The twelve month cycle means that a horse's vaccinations should be dated on or within 365 days (twelve months), for each year recorded on the passport, after the initial cycle of three injections were originally completed. For example a horse vaccinated on 15th March one year needs to be vaccinated on or before 15th March the following year. This also applies in leap years.

2. Horses with several years of annual booster vaccinations can have gaps in their record provided that;

a) The first two primary injections were administered correctly before 1st January 2014. (2nd injection 21-92 days after the 1st injection).

b) All annual boosters since 1st January 2014 are within time.

Please send a copy of your horse's vaccination certificate to the entries secretary along with your entry before the closing date. Copies can be sent by email / post

The competition consists of two phases, except the Starter Class 1. (no MA)

1: MA - Canter as slowly as possible along a measured track around the outside of the arena. Then walk back along the track as quickly as possible. **Each section being awarded 50% of the points normally given at a full TREC.** (Maximum score is 15 for canter and 15 for walk). A change of pace or step outside the marked track will result in zero for that pace.

2: PTV course of TEN obstacles, simulated to represent those you might meet out hacking, designed to test riding skills, the training of your horse and the accord between you. Maximum score is 10 marks per obstacle. Suitable for all levels of rider and any type of horse or pony these may include bending, a small jump, leading, mounting from a block, and reinback. If you wish to leave out an obstacle you simply stop & inform the judge before bypassing it. Full details will be displayed on the day and a brief, guided course walk will be held before the Starters Class. The course will be open for walking for 5 minutes before each of the other classes. Information on Arena TREC, MA scoring and PTV obstacles can be found in the TREC GB rulebook, Appendix 5, 6 & 7.

### **What do we wear?**

Safe and comfortable riding wear (there is no requirement for show jackets or plaiting up the horse), and your horse or pony's usual tack, will be fine. If a running martingale is used your horse must be led from headcollar and leadrope for any led PTV obstacles.

Please read the rules!

Catering will be provided by the famous **Yeoman's Food Bar** who sell a wide range of food and drink to suit all tastes.
